Re: THOMAS, JAMES EDWARD, WARDEN, C.S.P., U.S. DIST. CT., NRM. D. CAL, C/N 04:08-cv-1778-SBA, 04:28-2254 or :

Dear Madam: Again I try to inform you of my/Defts. Near Fu-  
 tures of constantly trying in vain to get/have a copy of my/Defts.  
 Trust Account File of Photo Copied/Verified or Certified Notary Pub  
 wise and in the Mail to this Court of Inquiry/Requested same to prove  
 that Deft is Indigent/Meets the requirements set by this great Federal Court  
 as being able/allowed to proceed in Form 2 Pauperis as to (21) matters  
 relating to his Petition for Certification of (his) Pending Appeal, belated, viz  
 the Great Writ of Habeas Corpus. It is clearly evident that the two of  
 below Counselor hired - hired by the County under the leadership of the  
 Co. D.A., flatly refused to bring (any) Pertinent/Relevant ground 24 (21) /Not  
 even to refute that Mis-ID - N - Too Pol. guessable/Merely Assumptive -  
 Charge of Assaultive w- The Intent - To Rape - - - Where as, whom ever it  
 could have been was stated to have made, absolutely, no physical contact(s),  
 however, menacingly - or - not/Deft. Had no Head Coverings, what-so-ever ON -  
 But, due to the vindictive/constant surveillance, Police (they) the Pros. made  
 absolutely, no references or attempted to put box constance - in - to proper per-  
 spective of /and covertly added to the dilemma by false claiming that Deft.  
 was a small petty thief for Psycho Thrills - and even claimed that Deft. stole  
 (his) cheap watch - but, no - know from where. Noting: a Independent  
 Invest. Prove that the witness were emphatically coerced lying to assist/  
 please the D.A./Pros. As the, so-called/wannabe, prior Full Rape victim,  
 went to great length to inform the Court/Jury afterward that: "She was  
 coerced into lying both about being Rape'd, no-way". Or Making (any) I.D.  
 of Deft. Only Pressured by the D.A. - Friends to agree to allow D.A./Pros. to  
 obtain a sure/casy Conviction - - - As was too readily done in 1st Pseudo Trial.  
 I had tried, in vain to contact a Notary Pub. on my own - but, none of my  
 communications gets acknowledged, period? And (my) Corr. Counselor, purposefully,  
 made (me) an appt. for (4-22-08) - but, no show - and my other (4) Rqsts. To  
 (Her) have not been answered. Stupid Frying - so, the second Rst. - no heat/Deft  
 was going to submit another - but, before placing same in (Her) box, a check  
 revealed that some sicko/Steckun, has sneaked into the cell while I sleep,  
 as usual, and replaced the letter one for the second. It's a too real un-trust-  
 worthy/dangerous Psycho running amok in this /every Prison I go. Plus, when  
 (they) stole the 21 letters from this etc, so that I had no proof Certified Rst. (they)  
 changed the Ct. S C/N /File N - To (04:28-2254??) Plus, these Maxims are 21  
 ways demanding to be put in a cell - w- Deft/All (my) communications - claiming  
 that I am switching - or - Every - body / Always Attacking (Them) B. 22222 Form No. BSA  
 I have 999 millions To go, Therefore, I don't bet the Form To you in Billion yrs. So Be It!!  
 Very Respectively Submitted / James E. Thomas
